

Product Fact Sheet

HW High Weed Contour® Mower

Markets

Entry-Level Contractors

Homeowners

Rental Dealers

Suburban/Rural Property Owners

Applications

Clearing knee-high grass
and overgrown vegetation

Finish mowing

Lots of Power

6.5 HP Briggs & Stratton
OHV Intek Pro I/C engine
cuts through the toughest
grass like butter.

Reliable Transmission

The quality three-speed
transmission has the perfect
speed for every cutting
application from knee-high
grass to the average lawn.

Front Casters

Swivel 360° for turn-on-a-
dime maneuverability. No
need to lift deck when
turning.

Rough Terrain

16" pneumatic tires for
effortless rolling on the
roughest terrain. Nylon
wheels are durable and light.

Didn't Mow Last Weekend? No Problem

- **Versatility** - The Contour® Mower has the ability to cut knee high grass and manicured lawns
- **Save Time** - Over 14% more efficient than standard lawnmowers
- **Protects your investment** - The cutting blade is not attached to the engine crankshaft and the spin-on oil filter is standard
- **16" Rear wheels** - For effortless rolling on the roughest terrain
- **Quality front casters** - Easily follow the contour of the lawn or lock for hillside mowing
- **3-speed transmission** - A perfect speed for every cutting application
- **6.5 HP Briggs & Stratton Intek PRO I/C Engine** - Power to spare without bogging down in the really tall stuff
- **Easy height adjustment** - Pull four pins and select any 1/2" height between 2 and 4 inches
- **Bag or Mulch** - The Contour® Mower is available with optional mulching kit or grass catcher kit

Product Fact Sheet

Spin-On Oil Filter
Protects your engine and your investment.

Height Adjustment
2 - 4" height adjustment in 1/2" increments. Achieve a manicured cut at each height by simply changing 4 pins.

Shift On-The-Fly
The three-speed transmission allows you to shift to match the cutting conditions.

Grass Catcher
(Optional) Part # 510223
Easily converts your Contour® to a side-bagger - 2.5 cubic feet capacity.

Front Casters
The ability to maneuver in tight terrain and the flexibility to turn 360°. All this adds to the incredible ease of use.

Folding Handles
Low storage profile requires little space - fits in back of most minivans or SUV's.

The Contour® at Work
Let the Contour® do all the work in the toughest grass and weeds.
